Geo Canopy

Felt Vibe Acoustic Geo Canopies deliver targeted sound absorption with a minimalist yet impactful design. Their clean aesthetic enhances acoustic comfort without overwhelming the visual identity of a space. Designed for versatility, Geo Canopies can be seamlessly paired with our acoustic wall tiles to create a cohesive design flow from ceiling to wall—offering both functional and architectural harmony.

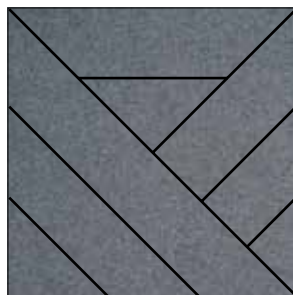

Available in a range of standard and fully customizable shapes, Geo Canopies help define and elevate the character of any interior environment, making them ideal for modern workspaces, public areas, and creative installations.
